

ANGELS, SOUL & THE END OF THE WORLD

**“AND THERE WAS WAR
IN HEAVEN...”**

REVELATION 12:7

What are angels and how do human beings encounter them? What happens to a soul after death? And what does the Church teach about the end of the world?

St James Anglican Church hosts a series of three talks on angelic beings, the afterlife and the apocalypse, with special invited speakers. Talks will immediately follow Evening Prayer, 2 pm on the last Sunday of the month.

All are welcome.

- September 29: The Rev'd Sam Halkett on angels and spirits
- October 27: The Rev'd Wilfred Sanderson on the afterlife
- November 24: The Rev'd Dr David Butorac on the apocalypse
